

**Port Kembla Port Corporation**

Corner of Military and Darcy Roads, Port Kembla  
Telephone (Reception): 024275 0100, Fax: 024274 0643

---

Travelling south from Sydney on the F6 Freeway towards Wollongong ...

On the approach to Wollongong City, stay on the Freeway and follow the signs for Port Kembla/Nowra.

Proceed on the Freeway (for about 6 kilometres past Wollongong University) until you see the signs for the turn-off to Port Kembla.

Take "Five Islands Road" (the second exit road signposted for Port Kembla).

After about 2 kilometres you will pass alongside the BHP Steelworks and cross through a set of traffic lights. On your left will be a large building marked 'TOLCO' - immediately proceed into the left-hand lane ready for the Port Kembla left turn, which is only about 500 metres past the TOLCO building.

Take the left filter lane (still Five Islands Road) for Port Kembla. Approximately 1 kilometre along this road there is a large building on the left marked "Port Kembla Transport Terminal".

The Port Kembla Port Corporation office is at the next cross-roads on the right-hand side, opposite the Police Station (Corner of Military and Darcy Roads).

A right-hand turn at the cross-roads will bring you directly to the front of the Port Corporation's administration office, where you should find on-street parking available.
